Instructional Technology

Thank you for your interest in The Sparrow Project! Attached you will find a participant packet which explains our program in detail. Additionally, we have included a registration form, media release, and two transportation forms.

Please look through the information and if interested, return the following:

- Last page of the participant handbook (The Sparrow Project Copy)
- Registration Form
- Transportation Release
- Transportation Waiver
- \$20 registration fee

You may complete the forms electronically and return via email. Once forms are returned, you will receive an electronic invoice to pay the registration fee.

Once all information is received, you will be placed on the Sparrow email distribution list and will begin receiving enrollment links for classes and events.

Best regards,

Allison Richey, President
